March 31, 2026

Dear Customer,

This letter is to inform you of a rate increase beginning with your April 30, 2026 bill. The minimum charge will increase and the usage rate will stay the same.

<u>Current Rate</u>		<u>New Rate</u>	
0-2000 gallons	\$20.00	0-2000 gallons	\$22.00
Over 2000 gallons	\$5.50 per 1000	Over 2000 gallons	\$5.50 per 1000

As long as you use 2000 gallons or less each month your bill will only be \$22.00. The increase is the first since January 2023. We purchase all of our water and our suppliers have increased the price we pay. Supplies for our crew to perform repairs and maintenance have increased as well. We cannot continue to absorb these increases and still provide safe and reliable water for our customers. If you have any questions, please contact our office at 864-489-7777.
